 Address: _____

Using the rating scale 5=Strongly Agree through 1= Strongly Disagree, please rate the following:

Course Objectives:

	Agree					Disagree				
As a result of completing this program, I am able to:										
Define Myasthenia Gravis (MG).....	5	4	3	2	1					
Discuss the epidemiology of acquired myasthenia gravis.....	5	4	3	2	1					
Discuss the predisposing factors and environmental issues that may contribute to the onset of MG.....	5	4	3	2	1					
Explain the pathophysiologic mechanisms and autoimmune basis of acquired MG.....	5	4	3	2	1					
Describe the common clinical presentations of myasthenics...	5	4	3	2	1					
Discuss the classification system used to characterize the distinct clinical features and severity of MG.....	5	4	3	2	1					
Compare the procedures used in the diagnosis of MG and describe the nursing recommendations for each.....	5	4	3	2	1					
Discuss the medical and surgical therapeutic modalities used in the treatment of MG, including the advantages, side effects, and risk factors associated with each treatment option.....	5	4	3	2	1					
Identify the nursing implications and nursing recommendations associated with the various treatment options.....	5	4	3	2	1					
Discuss the factors that have an adverse effect and contribute to worsening of MG.....	5	4	3	2	1					
Differentiate between Myasthenic Crisis and Cholinergic Crisis and identify the appropriate management strategies and nursing recommendations.....	5	4	3	2	1					
Describe a comprehensive nursing assessment of the myasthenic patient and the related nursing recommendations.....	5	4	3	2	1					
Identify the potential patient problems, expected outcomes, appropriate interventions and the related nursing										

recommendations 5 4 3 2 1

Discuss the impact of MG on the myasthenic and the family members..... 5 4 3 2 1

Demonstrate knowledge of myasthenia gravis and the appropriate patient management..... 5 4 3 2 1

Teaching/Learning:

Agree Disagree

Rate the Teaching Effectiveness of the Learning Methods: 5 4 3 2 1

Rate the ease of use of the learning materials5 4 3 2 1

Overall Program:

As a result of completing this program:

I am able to apply the knowledge learned in my practice setting5 4 3 2 1

My clinical practice was enhanced5 4 3 2 1

This study was not commercially biased.5 4 3 2 1

The provider of the activity has disclosed in writing the lack of conflict of interest declared by the planners and content specialists.5 4 3 2 1

How long did it take you to complete this independent self study?
_____ minutes

To verify successful completion of this program and be awarded nursing contact hours, you must complete this evaluation form.
