EQUAL EMPLOYMENT OPPORTUNITY

Equal Employment Opportunity has been, and will continue to be, a fundamental principle at the Myasthenia Gravis Foundation of America, Inc., where employment is based upon personal capabilities and qualifications without discrimination because of race, color, religion, sex, age, national origin, disability, or any other protected characteristic as established by law.

This policy of Equal Employment Opportunity applies to all policies and procedures relating to recruitment and hiring, compensation, benefits, termination and all other terms and conditions of employment.

Any employee with questions or concerns about any type of discrimination in the workplace is encouraged to bring these issues to the attention of their immediate manager, or to the Governance Committee or Board of Directors. Employees can raise concerns and make reports without fear of reprisal. Anyone found to be engaging in any type of unlawful discrimination will be subject to disciplinary action, up to and including termination of employment.
