HEALTH CARE PROFESSIONALS CONFERENCE

Friday, Oct. 23 ▪ 10 a.m. – 2 p.m.

To educate health care professionals, including neurologists and non-neurologists, regarding clinical presentations and the evaluation of patients with acquired neuromuscular junction disorders (including myasthenia gravis and Lambert Eaton myasthenic syndrome). Armed with this information, health care providers can better diagnosis and manage the myasthenic patient in both acute and ambulatory care settings, as well as minimize disease morbidity.

Emergency medicine physicians, ophthalmologists, internal medicine, pulmonologists, general neurologists, neuromuscular neurologists, nurse practitioners, registered nurses, physician assistants and allied health professionals (speech therapists, respiratory therapists, social workers, and emergency medical technicians) will benefit from this course.

PATIENT EDUCATION CONFERENCE

Saturday, Oct. 24 ▪ 10 a.m. – 1 p.m.

To provide an overview of acquired autoimmune myasthenia gravis to affected patients, their family and care providers in order to educate them about patient self-advocacy regarding appropriate treatment and management by their health care professionals, as well as within the system of medicine and research. In addition, this conference provides an opportunity for networking among patients for community support and formal advocacy.

Patients with myasthenia gravis, their family members, friends, and care providers, as well as allied health professionals including social workers, respiratory therapists, occupational therapists, physical therapists and speech therapists will benefit from this course.

Accreditation and Designation Statements

Physicians

Houston Methodist is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

This activity has been approved for *AMA PRA Category 1 Credit*[™].

Nurses

Houston Methodist is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
